(C) An application described in division (B) of this section relating to an area located in a municipal corporation shall be addressed and submitted to the mayor of the municipal corporation in which the area described in the application is located. The mayor, within thirty days after receiving the application, shall submit the application with the mayor's recommendation to the legislative authority of the municipal corporation. An application described in division (B) of this section relating to an area located in the unincorporated area of a township shall be addressed and submitted to the board of township trustees of the township in whose unincorporated area the area described in the application is located. The application is a public record for purposes of section 149.43 of the Revised Code upon its receipt by the mayor or board of township trustees.

Within thirty days after it receives the application and the mayor's recommendations relating to the application, the legislative authority of the municipal corporation, by notice published once a week for two consecutive weeks in one newspaper of general circulation in the municipal corporation or as provided in section 7.16 of the Revised Code, shall notify the public that the application is on file in the office of the clerk of the municipal corporation and is available for inspection by the public during regular business hours. Within thirty days after it receives the application, the board of township trustees, by notice published once a week for two consecutive weeks in one newspaper of general circulation in the township or as provided in section 7.16 of the Revised Code, shall notify the public that the application is on file in the office of the township fiscal officer and is available for inspection by the public during regular business hours. The notice shall also indicate the date and time of any public hearing by the legislative authority or board of township trustees on the application.

Within seventy-five days after the date the application is filed with the mayor of a municipal corporation, the legislative authority of the municipal corporation by ordinance or resolution shall approve or disapprove the application based on whether the proposed community entertainment district does or will substantially contribute to entertainment, retail, educational, sporting, social, cultural, or arts opportunities for the community. The community considered shall at a minimum include the municipal corporation in which the community is located. Any approval of an application shall be by an affirmative majority vote of the legislative authority.

Within seventy-five days after the date the application is filed with a board of township trustees, the board by resolution shall approve or disapprove the application based on whether the proposed community entertainment district does or will substantially contribute to entertainment, retail, educational, sporting, social, cultural, or arts opportunities for the community. The community considered shall at a minimum include the township in which the community is located. Any approval of an application shall be by an affirmative majority vote of the board of township trustees.

If the legislative authority or board of township trustees disapproves the application, the applicant may make changes in the application to secure its approval by the legislative authority or board of township trustees. Any area approved by the legislative authority or board of township trustees constitutes a community entertainment district, and a local option election may be conducted in the district, as a type of community facility, under section 4301.356 of the Revised Code.

(D) Subject to the limitations prescribed by this division and alternative to the procedure described in divisions (B) and (C) of this section, a municipal corporation or township may designate property as a community entertainment district pursuant to a joint economic development district contract entered into under section 715.70, 715.71, or 715.72 of the Revised Code. A municipal corporation or township may not designate property as a community entertainment district under this division unless all of the following apply:

(1) The property is located in the joint economic development district.

(2) The owner of the property consents in writing to designation of the property as a community entertainment district.

(3) Designation of the property as a community entertainment district will substantially contribute to entertainment, retail, educational, sporting, social, cultural, or arts opportunities for the community. The proposed community to be considered for this purpose shall at a minimum include the township or municipal corporation in which the community is located and the entire area included in the joint economic development district.

For the purposes of this section, a community entertainment district designated under division (D) of this section is located in the municipal corporation or township that encompasses more of the

district's territory than any other municipal corporation or township.

(E) All or part of an area designated as a community entertainment district under divisions (B) and (C) of this section may lose this designation as provided in this division. The legislative authority of a municipal corporation in which a community entertainment district is located, or the board of township trustees of the township in whose unincorporated area a community entertainment district is located, after giving notice of its proposed action by publication once a week for two consecutive weeks in one newspaper of general circulation in the municipal corporation or township or as provided in section 7.16 of the Revised Code, may determine by ordinance or resolution in the case of the legislative authority of a municipal corporation, or by resolution in the case of a board of township trustees of a township, that all or part of the area fails to meet the standards described in this section for designation of an area as a community entertainment district. If the legislative authority or board so determines, the area designated in the ordinance or resolution no longer constitutes a community entertainment district.

(F) All or part of an area designated as a community entertainment district under division (D) of this section may lose this designation as provided in this division. The parties to the joint economic development district contract designating the community entertainment district may give notice of a proposed action to revoke the community entertainment district designation by publication once a week for two consecutive weeks in one newspaper of general circulation in the area included in the joint economic development district as provided in section 7.16 of the Revised Code. After the completion of such notice, the legislative authority or board of township trustees of each party to the joint economic development district contract may determine, by ordinance or resolution, that all or part of the area designated as a community entertainment district fails to meet the standards described in this section. If the legislative authority or board of township trustees of each party to the joint economic development district contract approves such an ordinance or resolution, the area designated in the ordinances or resolutions no longer constitutes a community entertainment district.
